Tri-City Lacrosse, Inc. Mission

Tri-City Lacrosse, Inc. is a 501(C)(3) organization dedicated to furthering the development of youth (girls and boys) through the sport of lacrosse.

We believe achievements in sports are character builders that last a lifetime and that participation in sports lead to healthy lifestyle habits. To that end, we offer many programs, clinics (often free of charge), and leagues to area lacrosse players that focus on player development, not winning or losing.

- Each player is coached in a positive way and treated like an NCAA Division I college prospect.
- We teach players to honor the game and respect the culture from which it originated.

In contrast to how many sports leagues are run, we are proud that we are able to integrate kids from many communities and promote a theme that:

Lacrosse makes friends!
